Residents Ring in the New Year

Our New Year's Eve Party featured an elaborate seafood buffet, sparkling cider and party favors. What fun! Residents toasted the New Year with a rendition of "Auld Lang Syne."

Although this song is sung at the stroke of midnight in almost every English-speaking country, few people know it's history and meaning. The lyrics were penned by Robert Burns. It was put to an old Scottish tune and first published in 1796. "Auld Lang Syne" literally means "old long ago," or simply, "the good old days."
